Principal's Message

Dear Jaguar Families,

I hope this message finds you well. As we continue our journey through this academic year, I wanted to take a moment to emphasize the vital importance of good attendance and punctuality for your child's success and overall well-being. Regular attendance and arriving to school on time are fundamental aspects of a student's educational experience. Here are a few key points to consider:

Academic Success: Attending school regularly ensures that your child doesn't miss out on crucial lessons, classroom discussions, and interactive activities that are essential for their academic growth and achievement. Consistent attendance lays a strong foundation for continuous learning and progress.

Building Responsibility: Encouraging your child to prioritize punctuality and attendance instills valuable life skills such as responsibility and time management. These attributes are not only beneficial during their school years but also contribute to their success in future endeavors.

Social and Emotional Development: Regular attendance fosters positive social interactions, friendships, and a sense of belonging within the school community. Being present in class allows students to engage with peers, participate in group activities, and develop important social skills that are crucial for their emotional well-being.

Reducing Learning Gaps: Consistent attendance reduces the risk of learning gaps and ensures that your child stays on track with the curriculum. Missing school days, especially without valid reasons, can lead to challenges in catching up with missed material and may impact their overall academic performance.

Promoting a Culture of Learning: By prioritizing good attendance and punctuality, we collectively promote a culture of learning and commitment to education within our school community. Your support in reinforcing these values at home greatly contributes to your child's educational journey.

MAP Information for Families

Beasley MAP Testing Dates 2023-24

3rd Grade MAP Testing Dates: April 23-25 & May 7- 9

4th Grade MAP Testing Dates: April 29 - May 3

5th Grade MAP Testing Dates: April 22-26

It is so important for each of our students to get a good nights sleep, have a good breakfast, as well as getting to school on time to help set them up for success each and every day, as well as on the MAP test. Please make sure your your student brings a charged Chromebook every day for MAP testing as well.

Thank you for your continued partnership in ensuring the success and well-being of all our students. Together, we can create a positive and enriching educational experience for every child at Beasley Elementary School.

Best Regards,
Dr. Wood
